### Legend

### Notes

- ALL DIMMERS ARE 1.8k duplex (1.8k per 2 dimmers) and are NOT relay dimmers.
- Ten dual relay modules are available to be installed when LED and Moving Lights are being used. Please specify which circuits these will be in.
- Dimmer and Circuits are 1:1.
- There is no rep focus.
- Do not remove any labels in the grid.
- Do not remove any jumpers run for the rep hard patch.
- Stair lights are parked on at 25% and must remain this way unless approval has been given by BPAC's Production Team.
- For circuits: Pink = in the Grid, Blue = along the Catwalk, Red = Deck/Shop
