CORPORATE COMMUNICATION CAREER SNAPSHOT

The Master’s in Corporate Communication is designed to develop the knowledge, skills and acumen essential for today’s business communicators through premier coursework blending theory and best practice.

Students enrolled in MA in Corporate Communication program will:

1. Develop and enrich personal strengths in strategic and critical thinking, ethics, writing and speaking.
2. Learn how corporations use communication to create and establish brands, reputations and favorable public relations.
3. Explore strategies used by corporations to communicate with consumers, investors, media and employees.
4. Possess an understanding of the theory, research, and practice associated with key corporate communication functions.

Did you KNOW?
The U.S. Department of Labor’s Outlook Occupational Handbook projects that employment of public relations managers and specialists is expected to grow 21 percent from 2010 to 2020, faster than the average for all occupations.
