Winner, Audience Award, Toronto Jewish Film Festival, 2019

"Astonishing...a marvelously rich look into one of the greatest musicals of all time!" - *Deadline Hollywood*

*Fiddler: A Miracle of Miracles* is the first documentary to tell the complete story of the international Broadway blockbuster *Fiddler on the Roof* by exploring the unexpected richness of its themes as well as the extensive reach across time and cultures. Featuring rare archival footage, the documentary also includes personal experiences and insights into the show’s timeless impact from *Fiddler on the Roof* composer and lyricist Jerry Bock and Sheldon Harnick as well as commentary from former cast and creative members along with famous fans impacted by the musical, including Joel Grey, Topol, Harvey Fierstein, Austin Pendleton, Harold Prince, Itzhak Perlman, Stephen Sondheim, Lin-Manuel Miranda and many others.

**REGISTER HERE** with BPAC (required)

You may stream the documentary any time up until 12/8 using the following Vimeo link; all you have to do is create a free Vimeo account, which the link will prompt you to do:
