Course Modality Changes

Dear Student:

As we adjust to the ever-evolving circumstances and the priority to provide in-person classes and services, some course sections were shifted from online to hybrid or in-person. Please check your course schedule on CUNYFirst for details. [This video](#) details how to check your CF account to check your course modality.

I know that this is a challenging time and we are working to accommodate this change and be mindful of your concerns and needs as students. Your instructor will be in contact with you once the details regarding in-person dates and accommodations for your course are confirmed.

For additional resources, please see below:

- Questions about specific classes and accommodations, please contact your instructor via email.

- Questions that are not course specific, visit us in the [One Stop Info Hub.](#)

We wish you a wonderful summer and look forward to seeing you in the Fall.

Sincerely,

Myung-Soo Lee

Interim Provost and Senior Vice President for Academic Affairs
